One of the answers above is "Inappropriate Attire". Do you think attire presents a problem at conferences?

Yes, Inappropriate Attire does seem to be a problem @ FBLA Conferences I've been to. Presenters do not always wear "official attire", but that can be penalized by judges. Advisers need to do a better job of enforcing the dress code @ all conferences. We cannot expect the state heads to enforce this when there are over 3000 students @ each conference.
