

## Employability Activity - How to perform a professional and qualified Internet search

Being able to perform a qualified internet search is a skill all professional employees need to have. Using the internet search tool [www.google.com](http://www.google.com), find the answers to the following questions. Make sure the websites you are finding are legitimate news and information sites.

**Directions:** Search the Internet for the following information. Put your answers in this document then upload to Google Classroom.

1. Google your full name. Look at the first three hits Google finds. Describe the site that has your name.
2. What is the weather predicted to be for this Saturday?
3. Who is Evan Spiegel and what is he known for.
4. List 2 websites that will give me directions to the Mall of Georgia. How long (time) will it take to get there from TCCHS? (If you do not know the schools address, use the internet to find it)
5. When did the Georgia Aquarium open (date)? What are two interesting facts about the Georgia Aquarium?
6. List 3 monuments or memorials found in Washington, DC and their significance.
7. List the top 5 American Box Office films and when they were released. What is #100? (use either adjusted or unadjusted)
8. Who is the highest paid athlete today? List their name, sport, salary and age.
9. Super Bowl – when, where and what number is the next one coming up?
10. Find the college(s) with the following mascot/nickname:
  - a. Flying Dutchmen
  - b. Zips
  - c. Yeomen
  - d. White Mules
  - e. Trolls
11. Find the top 5 pre season college football rankings according to the Coaches Poll.
12. I want to be a Landscape Architect when I grow up! I need to find out some information about the job that I will actually do. Research to find the following:
  - What type of work would I do daily?
  - What are my working conditions?
  - What type of Salary can I make?
