What does the FBLA Creed say?

- Education is the right of every person.
- The future depends on mutual understanding and cooperation among business, industry, labor, religious, family, and educational institutions, as well as people around the world. I agree to do my utmost to bring about understanding and cooperation among all of these groups.
- Every person should prepare for a useful occupation and carry on that occupation in a manner that brings the greatest good to the greatest number.
- Every person should actively work toward improving social, political, community, and family life.
- Every person has the right to earn a living at a useful occupation.
- Every person should take responsibility for carrying out assigned tasks in a manner that brings credit to self, associates, school, and community.
- I have the responsibility to work efficiently and to think clearly. I promise to use my abilities to make the world a better place for everyone.
