**Instructions** – go to the March of Dimes web site at <https://www.marchofdimes.org/> Please read about the mission of March of Dimes to better understand how to design your flyer and t-shirt to benefit our chapter. Your assignment is to use Microsoft Publisher or Adobe Fireworks to design a flyer and a shirt that celebrates FBLA's partnership with March of Dimes.

Please read the following before beginning your design:

The March of Dimes has enjoyed a successful partnership with FBLA-PBL since 1970. In this time, FBLA-PBL has raised millions of dollars for the March of Dimes and, in turn, the March of Dimes has reached hundreds of thousands of young people with its health education and mission messages. The March of Dimes is FBLA-PBL's only national charity partner, and attends all national and regional FBLA-PBL conferences. FBLA-PBL generates more than \$500,000 annually through March for Babies participation and year-round fundraising.

FBLA-PBL is the premier business education association in the country. The mission of FBLA-PBL is to bring business and education together in a positive working relationship through innovative leadership and career development programs. A national association of middle school, high school, career and technical, community college, college and university students interested in business and business-related careers, FBLA-PBL has nearly 250,000 members and more than 15,000 chartered chapters throughout the United States, Puerto Rico, the Virgin Islands and Europe. Lilly, Your shirts and flyer look amazing! Great job on creating something that will definitely help us! I cannot thank you enough for helping us kick off our MOD Fundraising Campaign. I am excited that you, once again, get to attend the March of Dimes Walk at Callaway Gardens this year. This group looks to be very close and it should be a very fun day!
