

Haskin—FBLA Marketplace—Business Technology--October

Standard: Explore how related student organizations are integral parts of career and technology education courses through leadership development, school and community service projects, entrepreneurship development, and competitive events.

Instructions: Create three items to sell in the FBLA marketplace. Only one can be a t-shirt. Go to the FBLA Marketplace website for ideas.

FBLA sample ideas are below:

Feedback: 100/100

Student Sample: Jude Sowell

Jude, these are really, really good. My favorite is the shirt. I like your design and I know it took a lot of time to silhouette those bow ties, but it looks great! The book bag and beanie look good as well.
