Career Cluster: Business Management and Administration
Pathway: Entrepreneurship and Human Resource Management

Career Opportunities: Banking, Insurance, Accounting, Retail, Wholesale Distribution, Education, Reception, Clerical Work, Data Entry, Marketing, Management, Entrepreneurship, Logistics, Risk Management, Communications, Public Relations

Course Description: Legal Environment of Business addresses statutes and regulations affecting businesses, families, and individuals. All students will benefit with the knowledge of business law as they will eventually assume roles as citizens, workers, and consumers in their communities and in society at large. Students will get an overview of business law while concentrating on the legal aspects of business ownership and management. Legal issues addressed include court procedures, contracts, torts, consumer law, employment law, environmental law, international law, ethics, and the role of the government in business. Students will not only understand the concepts, but will also apply their knowledge to situations and defend their actions, decisions, and choices. Various forms of technologies will be highlighted to expose students to the emerging technologies impacting the business world. Professional communication skills and practices, problem-solving, ethical and legal issues, and the impact of effective presentation skills are expanded in this course to prepare students to be college and career ready. Employability skills are integrated into activities, tasks, and projects throughout this course to demonstrate skills required by business and industry. Competencies in the co-curricular student organization, Future Business Leaders of America (FBLA), are integral components of both the employability skills and content standards of this course. Legal Environment of Business is the second course in Entrepreneurship and Human Resources Management pathway in the Business Management & Administration Cluster. Students enrolled in this course should have successfully completed the first course in the pathway Introduction to Business & Technology.

Course of Study Topic Outline:	Course Standards:
Ethics and The Law	BMA-LEB-1,2,3,4,5,10
Operation Laws for Business	BMA-LEB-1,6,7,8,10
International Law	BMA-LEB-1,9,10

In addition to content standards, students will be responsible for showing mastery of the Common Core literacy standards. These standards will be taught using reading and writing activities related to the content area. Reading materials may include novels, technical manuals, articles or other appropriate materials as determined by the instructor.

EOPA Statement: Students are encouraged to select a pathway beginning in ninth grade that is connected to their college and career goals. This course is one of three courses in the Business & Technology pathway in the CTAE department. At the conclusion of the third pathway course, students will be required to take an End of Pathway Assessment. This assessment provides students an opportunity to demonstrate what they have learned by completing an on-line, nationally recognized exam. Students who complete a pathway and earn an industry credential by passing the assessment will receive a graduation cord to signify their achievement.

Certifications: The Entrepreneurship pathway prepares students with the skills needed for the following industry recognized credentials: NOCTI General Management

Throughout the school year the students will be working in groups. Sometimes these groups will work together for a class period. Other times they will work for four or five days in order to complete the assignment. When the students are not in groups, they will be involved in individual activities. These activities may include taking notes, working on individual projects, etc... The students must be willing to be involved in the class activities in order for them to be successful. Group or individual projects must be completed within the time allotted.

Classroom Rules/Conduct:

As part of the P.R.E.P. Academy, the Business Education Department focuses on professionalism, accountability, responsibility, self-discipline and similar work ethics that are expected behaviors in a business environment. Therefore, each student is expected to conduct himself/herself in a professional manner by avoiding the following infractions: (1) unnecessarily stopping the teacher from teaching, (2) hindering other students from learning, and (3) engaging in behavior that is not in the best interest of the class. To insure that an acceptable learning atmosphere is maintained, the teacher will enforce the discipline procedures outlined in the Thomas County Central High School *Parent/Student* handbook. In addition, the following classroom rules will be enforced.

- A. Be seated and ready to begin class when the tardy bell rings. Do not stand around outside the classroom.
- B. Stay awake and alert in class.
- C. Keep drinks/food/cell phone/electronic devices in book bag once entering the classroom.
- D. Discard trash in trashcans.
- E. Keep book bag, purse, etc., out of the aisle.
- F. Do not interrupt the teacher or another student unnecessarily during instruction.
- G. Be respectful of the teacher and students in the class. Keep your voice tone to a low level.
- H. Remain seated until class is dismissed by teacher—no moving to visit with friends.
- I. Do not comb hair, apply nail polish, use mirrors, spray colognes, put on makeup, etc.
- J. Dress appropriately as documented in the *Parent/Student* handbook.

- K. Coursework from another class may not be completed in class unless ALL assignments are completed and permission is given by teacher.
- L. Teacher cannot supply scissors, construction paper, tape, correction fluid, colored markers, or other materials used for other assignments outside of this class.
- M. Keep the computer settings established by the computer technician, and avoid touching the back of the computers. Be respectful of the equipment and furnishings in the classroom.
- N. Students will not receive credit for an assignment that was obtained dishonestly and will be required to complete a more difficult alternative assignment. Any student involved in assisting or allowing the dishonest student to obtain the assignment must also complete an alternative assignment and will not be given credit for the previously-completed assignment.
- O. In-class assignments are due on the day, or day after, the assignment is given (unless specified differently).

Consequences for Misconduct:

- **1st Offense: Verbal Warning. Documented.**
- **2nd Offense: Call Parent or Guardian. Documented.**
- **3rd Offense: Teacher Detention before or after school. Documented.**
- **4th Offense: Disciplinary write-up to Mrs. Adams, CTAE Director**

Computer Use:

Students will be required to access the Internet for some assignments and projects. Each student must have an Acceptable Use Policy (AUP) on file at the school. All policies in the AUP will be followed.

Students should only use the Internet when instructed for classroom purposes. Students who are caught downloading/streaming music, on inappropriate websites, attempting to bypass the server, or participating in other questionable activities will receive a referral and their computer privileges may be revoked.

Additional Information:

Policy on Printing: Business Department printers are to be used only for work assigned by the teachers. Students **may only print work for other classes after receiving permission** from their Business teacher. ***Personal work (graphics, personal notes, etc..) may NOT be printed.***

FUTURE BUSINESS LEADERS OF AMERICA (FBLA):

FBLA is a co-curricular student organization that plays an integral part in the components of the Business & Technology course standards. FBLA activities are incorporated throughout this course and the rest of the Business and Computer Science courses. Students are strongly urged to join FBLA (\$20) to benefit from the wealth of opportunities the organization has to offer.
