Feedback:

Good job on completing your form. Remember that all of your BAA activities will be averaged together for one project grade this 9 weeks. Good job on completing Activity 1 of your BAAs. Thank you for volunteering for freshmen orientation and recruitment. It is so important for prospective members to see familiar faces. Walking into a meeting with nearly 100 in attendance can be intimidating. Great job on your outline and thanks for the addition of the informational flyer. The parents responded favorably at the orientation.
