Teacher Feedback:

Good job on completing your form. Remember that all of your BAA activities will be averaged together for one project grade this 9 weeks. I saw, recently, that our chapter Historian, Emily Potter, used your graphic on our Instagram and Facebook pages. I like that used a simple/clean design. There are times when pictures should be incorporated, but since this was not only used as a social media post, but also as a poster, this was a great design!
